

HelpNet

Employee Assistance Program

FEATURES INCLUDE:

- Confidential Counseling
- Up to 5 free counseling sessions for you and your family members. Licensed counselors are available in person, via the telephone or video conferencing.
- Free 30-minute consultation with an attorney, from a network of attorneys, by telephone or in person. 25% off normal fees if you retain a network attorney.
- Free telephonic support with a certified financial counselor for you or your family members.
- Employee support website with downloadable articles, on-line training, webinars, legal forms, financial calculators and more...

Your Employee Assistance Benefit is available to you and your immediate family members who are either living in your house or covered by insurance. We offer you free, local referrals to counselors for up to 5 sessions. Legal referrals and financial services are also part of your benefit. Plus, the work life web is accessed by going to www.helpneteap.com, and clicking on work life login. Your login information is below. This website is filled with articles, webinars, databases, and online training. Feel free to call us if you have any questions.
