Agenda Item V-A: STRATEGIC PLANNING UPDATE

President Hood reported that the preliminary work has been completed in the strategic planning survey process. The efforts are being led by Vice President of Academic Affairs and Community Outreach Scott Mertes and Vice President of Student Services Matt Miller. Scott and Matt presented the Trustees with the results of the surveys and asked for their feedback regarding next steps or anything else they would like to see added to the plan. The strategic plan as a whole will be a high level plan with around 4 main goals for the college. Each department will be given support from Ellucian as a part of our contract with them, in order to write more specific departmental strategic plans. Faculty Senate President Chris Goffnett gave examples of how Mid students are utilizing their education in our local areas. A discussion took place regarding the programs that Mid excels in and where Mid has the potential to grow.

Agenda Item V-B: ENROLLMENT REPORTS

Vice President of Student Services Matt Miller presented the enrollment reports for Summer 2021 and Fall 2021.

Sept 7         Board of Trustees Meeting, Esther C. Conference Room, Harrison Campus

Agenda Item VII-B: OTHER BUSINESS

Trustee Gilmore asked if Mid had a full time grant writer. That position migrated to Scott Mertes with Community Outreach but is not full time.
Board Chair Petrongelli spoke about the August workshop before the regular meeting. The workshop will include a policy change on Board committees with the exception of the audit committee, the presidential evaluation and selecting which trustees will serve on various advisory committees throughout the college.

Board Chair Petrongelli wanted to thank everyone involved in the Drive Thru Diploma pick up. It was great to have that personal experience with students. Same with the employee appreciation picnics. She expressed deep gratitude to those who work behind the scenes to make sure that everything at events such as these are set up properly and run smoothly.

Motion by Trustee Kreckman to adjourn the meeting. Second by Trustee Metzger. All Ayes; Motion Carried.

Meeting adjourned at 8:25 PM
Recording Secretary,
Amy Lince

FINANCIAL HIGHLIGHTS
GENERAL & AUXILIARY FUNDS
June 30, 2021 (PRELIMINARY)

GENERAL FUND REVENUE:
• 2020-21 enrollment reports show the following changes in billable tuition hours from 2019-20 levels: Fall 2020 13.7% decrease; Winter 2021 16.1% decrease; Summer 2021 14.3% increase. The resulting total revenue represents 97% of the annual budget for the 2020-21 tuition and fees revenue.
• State appropriations revenue for 2020-21 decreased 0.3% from the original 2019-20 levels and was booked in October at $5,309,200. Additional state appropriations of $1,449,035 were allocated to Mid for the UAAL funding.
• Property tax revenue of $2,544,263 was levied and booked as revenue in December 2020.

GENERAL FUND EXPENSES:
• Preliminary departmental expenses are in line with 100% of the annual budget:
  o Information Technology expended 104% due to the new Ellucian consultation contract.

GENERAL FUND REVENUE OVER EXPENSES:
• The total preliminary increase in net assets as of June 30, 2021 is $321,810. This amount will not be final until mid-August when all adjusting entries have been made for 2020-2021.

BALANCE SHEET:
• The cash balance decreased $2 million from May 31, 2021 to fund operations during the month of June.
• The State appropriations receivable of $1,230,797 represents the remaining 2 monthly payments of 2020-21 general and UAAL state appropriations.
• Student receivables increased $237,373 due to 2021 Fall term registration activity in June.
• The prepaid expense balance of $576,641 represents a few multi-year prepaid items, and other prepaid 2021-22 expenses, including $241,345 for the Ellucian contract.
• The balance due to other funds of $6.3 million can be broken down as follows:
  o $773,000 due to the designated student activities fund
  o $2.5 million due to the auxiliary services for sales
  o $43,000 due from the scholarship and grant fund
  o $907,000 due from the federal restricted fund for student financial aid funds disbursed to the student accounts
  o $278,000 due from the restricted grant fund
• The $1.3 million in accrued payroll and other compensation includes expenses incurred but not paid as follows:
  o Accrued salary and wages of $247,000
  o FICA, Federal and State withholding of $35,000
  o MPSERS/ORP/UAAL payable of $290,000
  o Employee health and dental insurances payable of $230,000
  o Deferred faculty pay of $469,000
  o Unemployment and workers’ compensation insurances payable of $11,000
  o Miscellaneous payroll deductions
• The $4.4 million in deferred revenue includes $330,000 for the portion of Summer 2021 tuition and fees that will be earned in the 2021-2022 fiscal year and $4.1 million for Fall 2021 tuition and fees that will also be earned in the 2021-2022 fiscal year.
• A significant portion of the preliminary Unreserved Net Assets of $4.2 million represents funds set aside by the Board of Trustees to fund current and future college expansion needs.

AUXILIARY FUNDS:
• Total preliminary revenue is at 107% of the revised annual budget.
• In-person auxiliary services, including both bookstores and the Harrison Laker Café closed March 11, 2020 due to restricted building access in response to the Corona Virus (COVID-19) Stay-at-Home order. On-campus operations have resumed with limited hours and services.
• Total preliminary expenses, at 101% of the revised annual budget, represent operational costs for the months of July through June.
• The preliminary excess expense over revenue to date is $7,741.

AIRCUITY ANNUAL SENSOR AND DATA SERVICES  
AND FUME HOOD CERTIFICATION PRICING

Dear Mr. Meyers:

Quality Air Service, Inc. is pleased to quote the following service contract for your Aircuity system and fume hood certification:

1. **Sensor Assurance**

**Sensor Element Replacement**: The sensor element is the internal component that performs the actual sensing—i.e. PID or MOS elements (TVOCs), Optical Bench (Particles), etc. Sensor elements are consumed, wear out, and/or become inactive over time as a natural part of their operation. Sensor element replacement is performed as required during the course of sensor calibration at no additional charge to the customer. As the element degrades and/or wears out over time, it is routinely replaced to assure the OptiNet system is operating at peak performance.

**Sensor Calibration**: Sensors require periodic calibration to ensure their long term accuracy and reliable performance. Each sensor will be swapped with a factory recalibrated sensor twice per year (approximately every six months). These factory performed services include sensor recalibration and a functional test of the unit as per the sensor manufacturer's instructions. A calibration certificate is available for each sensor. Prior to each scheduled calibration interval, pre-calibrated sensors will be shipped from Aircuity depot to the Aircuity representative for installation at the Sensor Suite. The representative will swap the pre-calibrated sensor for the one currently in the system and return the replaced sensor to the factory in the prepaid package provided by Aircuity.
Sensor Diagnostics: On a frequent and periodic basis, trained Aircuity technical support staff remotely review the sensor's performance for a number of conditions - out of range, failure, calibration due date, and more. Sensors that appear to be exhibiting out of specification conditions as noted will be flagged by the Aircuity support staff and remedial action will be taken. If it is determined the sensor/sensor element is defective, a replacement sensor will be sent directly to the customer or Aircuity support representative for swap out within the Sensor Suite.

Note: An active internet connection is required to receive these services.

Sensor Hardware: The repair or replacement of any defective sensor component is covered by the hardware aspect of Sensor Assurance.

Sensor Software: Periodic upgrades to correct software issues, bugs, and fixes are covered by the software aspect of Sensor Assurance.

2. Hardware Assurance
OptiNet has been designed for many years of continuous operation. To assure continuous and effective system operation the pump (HFP), battery back-up UPS and the information management system (IMS) will be replaced should they wear out during normal operation.

3. Data Assurance
All OptiNet systems, through the data assurance component of the plan, are monitored for system performance via automated analytics in which OptiNet data is continuously analyzed and exception reporting is provided to our customer support team to ensure reliable operation and quick response in the event that anomalies are observed.

   - Measure fume hood sash width and height opening.
   - Test and document face velocities at sash height openings of 18" and full open of each fume hood.
   - Verify that each fume hood monitoring device is functioning correctly.
   - Verify operation of Phoenix database and lab controls (includes all Phoenix controls).
   - Re-calibrate as needed.
   - Provide written reports upon completion of testing.
   - Fume hood certification to be provided (1) time per year

PREVENTIVE MAINTENANCE SERVICE  

- Our preventive maintenance program performed in accordance with a maintenance schedule specific to your equipment and its usage  
- Examine, lubricate, adjust, and repair/replace covered components  
- Criteria for replacement of all wire ropes will be the appropriate factor of safety  
- Prompt callback coverage  
- Safety testing  
- Customer friendly and responsive communications  

PREVENTIVE MAINTENANCE PROGRAM  

Our Preventive Maintenance Program, as described in this agreement will be performed in accordance with a maintenance schedule specific to your equipment. A Schindler technician will be assigned to you, and back up technicians are available as required to give you prompt service as required at all times. A Schindler account representative will be assigned to you, and will be your primary contact for communications regarding your agreement. Also available to you is our extensive technical support and parts inventory, at the site as needed, and local warehouses and our national Service Distribution Center available for express delivery in emergencies.
EXAMINE, LUBRICATE, ADJUST, AND REPAIR/REPLACE COVERED COMPONENTS

We will periodically examine, lubricate, adjust, and as needed or if usage mandates, repair, or replace the Covered Components listed below.

HYDRAULIC ELEVATORS

**Basic components:** Controller components: resistors, timers, fuses, overloads, minor contacts, wiring, coils; packing, drive belts, strainers, functional components of car and corridor operating stations, hangers and tracks, door operating devices, door gibbs, guide shoes, rollers, traveling cables, signal lamps (replacement during regular visits only), interlocks, door closers, buffers, switches, door protection devices, and alarm bells.

**Major components:** Exposed piping in the Machine Room & hoistway, motor, PC boards, pump unit, solid state devices, contactors, and valve rebuilds.

TRACTION ELEVATORS

**Basic components:** Selector motors; brake: pads, lining, disks or shoes, magnet coils, brushes & commutators; controller components: resistors, timers, fuses, overloads, minor contacts, wiring, coils; functional components of car and corridor operating stations; hangers and tracks, door operating devices, door gibbs, guide shoes, rollers, traveling cables, signal lamps (replacement during regular visits only), interlocks, door closers, buffers, overspeed governors, car and counterweight safeties, alarm bells, switches, and door protection devices.

**Major components:** Hoist motors, hoist ropes, bearings for machine and sheaves, machine brake, motor generators, PC boards, sheave & sheave assemblies, solid state devices, compensation ropes and chains, and contactors.

We assume no responsibility for the following major components:

**HYDRAULIC ELEVATORS**

**Major components:** Exposed piping in the Machine Room & hoistway, motor, PC boards, pump unit, solid state devices, contactors, and valve rebuilds.

**TRACTION ELEVATORS**

**Major components:** We assume no responsibility for the following items: hoistway door hinges, panels, frames, gates and sills; cabs and cab flooring; freight elevator door straps, cab doors, gates and removable cab panels; cab mirrors and handrails; power switches, fuses and feeders to controllers; emergency cab lighting; light fixtures and lamps; cover plates for signal fixtures and operating stations; card readers or other access control devices; smoke/fire alarms and detectors; pit pumps and alarms; cleaning of cab interiors and exposed sills; plungers, pistons, casings and cylinders; automatic ejection systems; all piping and connections except that portion which is exposed in the machine room and hoistway; guide rails; tank; emergency power generators; telephone service, communication devices; disposal of used oil; intercom or music systems; ventilators, air conditioners or heaters; adverse elevator operation as a result of machine room temperatures (including temperature variations below 60 degrees Fahrenheit and above 90 degrees Fahrenheit); media displays; computer consoles or keyboards; fireman’s phones; exterior panels, skirt and deck panels, balustrades, relamping of illuminated balustrades; attachments to skirts, deck or balustrades; moving walk belts; pallets; steps; skirt brushes; sideplate devices; any batteries associated with the equipment; obsolete items, (defined as parts, components or equipment either 20 or more years from original installation, or no longer available from the original equipment manufacturer or an industry parts supplier, replaceable only by refabrication.) In the event that safety testing is performed by us at the start of the Agreement, and we find that critical safety components, such as the governor and/or safeties for traction equipment, and/or valves on hydraulic equipment, are not operating correctly, therefore resulting in unsafe conditions, you will be responsible to authorize the necessary repairs/replacements of this equipment, at your expense.

CLEANING

We will periodically clean the machine room, car top, and pit of debris related to our work in these areas.

Our testing responsibilities do not include fees or changes imposed by local authorities in conjunction with witnessing, witnessing costs, inspecting, assisting inspection authorities, licensing or testing the Equipment including observation of testing by 3rd parties; changes in the testing requirements after the initial start date of this Agreement, or any other testing obligations other than as specifically set forth above, including, but not limited to seismic tests. Since these tests may expose the equipment to strains well in excess of those experienced during normal operation, Schindler will not be responsible for any damage to the equipment or property, or injury to or death of any persons, resulting from or arising out of the performance of these tests. Further, our testing responsibilities do not include performance, or the keeping of records related to, monthly firefighters service.

CUSTOMER FRIENDLY AND RESPONSIVE COMMUNICATIONS

Service dispatching will take place through our Schindler Customer Service Network (SCSN), which is staffed by qualified Schindler personnel, 24/7. You will be provided with a customer identification number, which must be referenced when a call is placed for your facility. Our dispatchers will have access to your building’s service call records, and will promptly relay the details of your call to the assigned technician.

SCHINDLER AHEAD

You will be provided access to the Schindler Ahead tools, which include Schindler Ahead hardware connectivity, Core service in the tier described below, Schindler Actionboard and Actionboard Mobile.

You will also be provided access to the optional Ahead Digital Services as selected and described below.

Schindler Ahead provides remote connectivity to your Equipment. Schindler Ahead will automatically notify us if any connected component or function is operating outside established parameters. When appropriate, we will communicate with you to schedule appropriate service calls. Monitoring will be performed 24/7 and will automatically communicate with our Customer Service Network using dedicated wireless cellular technology. Schindler will make every reasonable effort to maintain wireless connectivity. If requested, you will provide the proper wiring diagrams for the equipment covered. These diagrams will remain your property, and will be maintained by Schindler for use in troubleshooting and servicing the equipment.

Schindler ActionBoard and ActionBoard Mobile are communication technologies that provide access to real-time information about your equipment including: performance history, reports, push notifications, service call records, unit profiles and more.

Your contract includes the above features as well as the following Core package:

This Agreement does not include Schindler Ahead.

If you would like information on upgrading your Core package, please discuss with your sales rep. The upgraded packages are:

Connect – Schindler’s Connect package provides wireless cellular communication from your equipment's controller to 's data network. This allows the Schindler Cube or Schindler SRM to be connected to your equipment 24/7. The Connect package also provides access to the basic features of ActionBoard/Dashboard and ActionBoard Mobile/Dashboard Mobile, giving you real time information on your equipment.
**Enhanced** – The Enhanced Package includes access to Schindler’s Elevated Support Professional Team. This team analyzes information gathered by Schindler Ahead, which improves the reliability of your equipment and improves the response time. The Elevated Support Professional Team can alert you when a shutdown is detected, helps confirm issues remotely, and provides real-time ETAs for technicians en route. With these enhanced diagnostics, we can guarantee that you will not be charged for Running on Arrival calls. Under the "No Running on Arrival Guarantee,” Schindler will fully cover the cost of any callback during regular hours related to the following situations: Elevator or Escalator Running in normal operation, or running under any of the following special services modes: Independent service, Fireman’s service (Phase I or Phase II), or Inspection operation. All other callbacks will be billed as outlined in the service agreement.

**Premium** – The premium package is our top tier, and was created for customers requiring the most comprehensive level of service. Our premium package offers the highest level of functionality and support. The Premium tier also includes concierge level assistance for all of your service needs.

Optional Digital Services:

The following digital services are also available:

**Digital Alarm** – The Schindler Ahead in-car emergency phone service will be added to your digital package. This service includes a reliable digital connection between your existing or new in-car emergency phone and our Schindler Customer Service Network that handles incoming and outgoing emergency calls with passengers in the elevator. To ensure reliability, Schindler Ahead phone service also provides monitoring of this connection. This in-car emergency phone service feature will be added along with the Schindler Core Services, and is contingent upon code approval by the local authority having jurisdiction. The Schindler Ahead solution must be installed and confirmed by Schindler to be communicating before you proceed with plans to remove or cancel your existing service provider’s line for your in-car emergency phone. Schindler will notify you once the Schindler Ahead connection is confirmed. This will ensure there is no disruption with the emergency communications with passengers in the elevator. If proprietary telephone equipment exists, you agree to replace the proprietary hardware with compatible hardware for an additional cost.

________ Initial Here to add DigitalAlarm for $25 per unit, per month in addition to the subscription price shown in the Price section below

**ElevateMe** - The Schindler Ahead ElevateMe service, which requires a compatible elevator controller, enables passengers to call an elevator via their personal smartphone. Any smartphone with an Apple iOS or a Google Android operating system, can download the ElevateMe app from the respective app store. Via the app the elevator can be called, and the desired destination floor entered. The smartphone will substitute the typical elevator call via a landing or car operating panel*. Once the service is active, all passengers using the smartphone application can place destination calls. The elevator must be equipped with Schindler Ahead to offer the feature. *The landing and operating panels will remain and work as is.

Scope of Services:
Software update and activation of feature on Schindler Cube
Creation, printing and installation of QR Codes
Commissioning of system, testing and registration via Schindler Ahead Control Center
Permanent Monitoring and support via the Technical Operation Center (TOC)
Regular Over-The-Air Update to ensure reliability and security of the hardware

________ Initial Here to add ElevateMe for $25 per unit, per month in addition to the subscription price shown in the Price section below

Schindler Ahead, your Core package, and the digital services described in this agreement require Schindler Ahead Connectivity. If your existing unit(s) are not equipped with the Connectivity to enable the selected services, we will provide a separate invoice for this cost. By signing this agreement, you agree to pay the costs associated with this activation. Work shall be performed during our regular working hours of our regular working days. Title to Hardware remains with Schindler. Schindler may replace or modify Hardware at any time. Customer shall promptly provide Schindler access to Hardware and prevent unauthorized access thereto.
CALLBACK RESPONSE TIME
We will perform the services during our regular working hours of regular working days, excluding elevator trade holidays. We will provide callback service during regular working hours. We will respond to callbacks within 24 hours of notification. If you authorize services or callbacks outside the scope of this agreement, you will pay us at our standard billing rates, plus materials not covered by contract, expenses and travel.

HOURS OF SERVICE
We will perform the services during our regular working hours of regular working days, excluding elevator trade holidays. The services include callbacks for emergency minor adjustment callbacks during regular working hours. If you authorize callbacks outside regular working hours, you will pay us at our standard billing rates, plus materials not covered by contract, expenses and travel. All other work outside the services will be billed at our standard billing rates. A request for service will be considered an “emergency minor adjustment callback” if it is to correct a malfunction or adjust the equipment and requires immediate attention and is not caused by misuse, abuse or other factors beyond our control. The term does not include any correction or adjustment that requires more than one technician or more than two hours to complete.

TERM
This Agreement commences on August 01, 2021, and continues until July 31, 2027, and shall renew (where permitted by applicable local law) for subsequent similar periods, unless terminated by either party upon written notice received by the other party at least 90 days prior to the above termination date or any renewal termination date, and not more than 120 days before the termination date.

PRICE
In consideration of the services provided hereunder, you agree to pay us the sum of $412.00 per month, payable in annual installments of $4,944.00, exclusive of applicable taxes.

This Agreement does not include Schindler Ahead. If you would like to choose a Schindler Ahead tier, please indicate by checking below:

[ ] Upgrade to the Connect Package - $10 per unit, per month addition.
[ ] Upgrade to the Enhance Package - $20 per unit, per month addition.

The packages above are dependent upon applicable equipment type and hardware installation, which will be installed at the owner’s expense. Please contact your Schindler Rep for more information.

PRICE ADJUSTMENT
The contract Price and labor rates for extra work will be adjusted annually in January. This adjustment will be based upon the local labor rate adjustment for the year in which it is adjusted, and will be increased or decreased on the basis of changes to the local straight time hourly rate for mechanics. If there is a delay in determining a new labor rate, or an interim determination of a new labor rate, we will notify you and adjust the price at the time of such determination, and we will retroactively bill or issue credit, as appropriate, for the period of such delay. We also reserve the right to adjust the contract price quarterly / annually on the basis of changes in other expenses such as fuel, waste disposal, government regulations or administrative costs. Should you elect to take the annual pre-payment option, the price adjustment date will default to coincide with the invoice date.

The annual contract price adjustment will not apply to Schindler Ahead. Schindler reserves the right to make adjustments to the monthly fee for the Schindler Ahead tiers as additional value added features and functionality are added to the selected offering.

TERMS AND CONDITIONS

1. This is the entire Agreement between us, and no other terms or conditions shall apply. This service proposal does not void or negate the terms and conditions of any existing service agreement unless fully executed by both parties. No services or work other than specifically set forth herein are included or intended by this Agreement.

2. You retain your responsibilities as Owner and/or Manager of the premises and of the Equipment. You will provide us with clear and safe access to the Equipment and a safe workplace for our employees as well as a safe storage location for parts and other materials to be stored on site which remain our property, in compliance with all applicable regulations related thereto, you will inspect and observe the condition of the Equipment and workplace and you will promptly report potentially hazardous conditions and malfunctions, and you will call for service as required; you will promptly authorize needed repairs or replacements outside the scope of this Agreement, and observe all testing and reporting responsibilities based upon local codes. You will not permit others to work on the Equipment during the term of this Agreement. You agree that you will authorize and pay for any proposed premaintenance repairs or upgrades (including any such repairs or upgrades proposed during the first 30 days of this agreement), or we will have the option to terminate this Agreement immediately, without penalty to us. You agreed to post and maintain necessary instructions and / or warnings relating to the equipment.

3. We will not be liable for damages of any kind, whether in contract or in tort, or otherwise, in excess of the annual price of this Agreement. We will not be liable in any event for special, indirect or consequential damages, which include but are not limited to loss of rents, revenues, profit, good will, or use of Equipment or property, or business interruption.

4. Neither party shall be responsible for any loss, damage, detention or delay caused by labor trouble or disputes, strikes, lockouts, fire, explosion, theft, lightning, wind storm, earthquake, floods, epidemics, pandemics, storms, riot, civil commotion, malicious mischief, embargoes, shortages of materials or workmen, unavailability of material from usual sources, government priorities or orders or demands of the National Defense Program, civil or military authority, war, insurrection, failure to act on the part of either party's suppliers or subcontractors, orders or instructions of any federal, state, or municipal government or any department or agency thereof, acts of God, or by any other cause beyond the reasonable control of either party. Dates for the performance or completion of the work shall be extended by such delay of time as may be reasonably necessary to compensate for the delay.

5. You will assign this Agreement to your successor in interest, should your interest in the premises cease prior to the initial or any renewal termination date. If this Agreement is terminated prematurely for any reason, other than our default, including failure to assign to a successor in interest as required above, you will pay as liquidated damages (but not penalty) one/half of the remaining amount due under this Agreement.

6. The Equipment consists of mechanical and electrical devices subject to wear and tear, deterioration, obsolescence and possible malfunction as a result of causes beyond our control. The services do not guarantee against failure or malfunction, but are intended to reduce wear and prolong useful life of the Equipment. We are not required to perform tests other than those specified previously, to install new devices on the equipment which may be recommended or directed by insurance companies, federal, state, municipal or other authorities, to make changes or modifications in design, or to make any replacements with parts of a different design. We are responsible to perform such work as is required due to ordinary wear and tear. We are not responsible for any work required, or any claims, liabilities or damages, due to: obsolescence; accident; abuse; misuse; vandalism; adverse machine room conditions (including temperature variations below 60 degrees and above 90 degrees Fahrenheit) or excessive humidity; overloading or overcrowding of the Equipment beyond the limits of the applicable codes; use of a stopped escalator as a stair; adverse environmental or premises conditions, including but not limited to water damage, power fluctuations, rust, or any other cause beyond our control. We will not be responsible for correction of outstanding violations or test requirements cited by appropriate authorities prior to the effective date of this agreement.

7. Invoices (including invoices for extra work outside the fixed price) will be paid upon presentation, on or before the last day of the month prior to the billing period. Late or non-payments will result in:

(a) Interest on past due amounts at 1½% per month or the highest legal rate available;  
(b) Termination of the Agreement on ten (10) days prior written notice; and  
(c) Attorneys’ fees, cost of collection and all other appropriate remedies for breach of contract.

8. If either party to this Agreement claims default by the other, written notice of at least 30 days shall be provided, specifically describing the default. If cure of the default is not commenced within the thirty-day notification period, this Agreement may be terminated. In the event of litigation, the prevailing party will be entitled to its reasonable attorneys’ fees and costs. If you elect to modernize any or all of the Equipment during the term of this agreement, you will give us the option, within a reasonable time, to prepare an offer for the work and/or evaluate competitor proposals and compare scope of work and price. If we are unable to match price and scope of work, or present an alternative proposal, this Agreement may be canceled with ninety (90) days written notice.
9. Any proprietary material, information, data or devices contained in the equipment or work provided hereunder, or any component or feature thereof, remains our property. This includes, but is not limited to, any tools, devices, manuals, software, modems, source/ access/ object codes, passwords. In the event Schindler’s maintenance obligation is terminated, the Schindler Ahead features (“SA”) (if applicable) will be deactivated and Schindler reserves the right to remove the Schindler Ahead hardware. If Schindler is no longer the maintenance provider, Customer is responsible for obtaining alternative telephone service for the elevator phones.

10. You will prevent access to the Equipment, including the SA feature and/or dedicated telephone line if applicable, by anyone other than us. We will not be responsible for any claims, losses, demands, lawsuits, judgment, verdicts, awards or settlements (“claims”) arising from the use or misuse of SA, if it or any portion of it has been modified, tampered with, misused or abused. We will not be responsible for use, misuse, or misinterpretation of the reports, calls, signals, alarms or other such SA output, nor for claims arising from acts or omissions of others in connection with SA or from interruptions of telephone service to SA regardless of cause. You agree, which obligation shall survive this Agreement, that you will defend, indemnify and hold us harmless from and against any such claims, and from any and all claims arising out of or in connection with this Agreement, and/or the Equipment, unless caused directly and solely by our established fault.

11. Should this Agreement be accepted by you in the form of a purchase order, the terms and conditions of this Agreement will take precedence over those of the purchase order.

12. Schindler Elevator Corporation is insured at all locations where it undertakes business for the type of insurance. You agree to accept, named as certificate holder, in full satisfaction of the insurance requirements for this Agreement, our standard Certificate of Insurance. Limits of liability as follows:

   (a) Workers’ Compensation - Equal to or in excess of limits of Workers’ Compensation laws in all states and the District of Columbia.
   (b) Comprehensive Liability - Up to Two Million Dollars ($2,000,000.00) single limit per occurrence, Products/Completed Ops Aggregate $5,000,000.
   (c) Auto Liability - $5,000,000 CSL.
   (d) Employer’s Liability - $5,000,000 Each Accident/Employee/Policy Limit.

13. You hereby authorize us to produce single copies of the EPROM and/or ROM chips for each elevator subject to this Agreement for the sole purpose of archival back-up of the software embodied therein. The duplicate chip(s) for a given elevator shall be identified by serial number, or other means, and shall be stored on the building premises in a secured area in the elevator equipment room or you may retain possession. We agree that back-up chips are not for the benefit of purchase or sale, or for use in other elevator systems, and shall be used for no other purpose than the replacement of a defective or damaged chip on the particular elevator. In the event that your continued possession of the computer program should cease to be rightful, we agree that all such archival copies shall be destroyed.

14. You acknowledge that certain replacement parts, such as printed circuit boards or control related parts, may be difficult to obtain. While we do not anticipate problems or delays obtaining such parts, it may be necessary or desirable for you to order such parts directly from the original equipment manufacturer (“OEM”). You agree, in such event, to order parts promptly from the OEM, at any time and from time to time, as specified by us. We agree to reimburse you for the reasonable cost of such parts (as covered by this Agreement) promptly upon receipt from you of copies of the invoice(s) together with appropriate payment documentation.

15. Should conditions arise requiring use of the OEM diagnostic tool, we will promptly notify you. You agree, in such event, to promptly contact the OEM for diagnostic service and repair. You will be responsible for all costs related to such service and repair. You further agree that we shall not be responsible for any delays, damage, costs or claims associated with you or OEM’s failure to timely provide a diagnostic tool, and you will indemnify, defend and hold us harmless from any such delays, damage, cost or claim.

Our testing responsibilities do not include fees or changes imposed by local authorities in conjunction with witnessing, inspecting, assisting inspection authorities, licensing or testing the Equipment including observation of testing by 3rd parties; changes in the testing requirements after the initial start date of this Agreement, or any other testing obligations other than as specifically set forth above, including, but not limited to seismic tests. Since these tests may expose the equipment to strains well in excess of those experienced during normal operation, Schindler will not be responsible for any damage to the equipment or property, or injury to or death of any persons, resulting from or arising out of the performance of these tests. Further, our testing responsibilities do not include performance, or the keeping of records related to, monthly firefighters service.

SCHINDLER AHEAD

You will be provided access to the Schindler Ahead tools, which include Schindler Ahead hardware connectivity, Core service in the tier described below, Schindler Actionboard and Actionboard Mobile.

You will also be provided access to the optional Ahead Digital Services as selected and described below.

**Schindler Ahead** provides remote connectivity to your Equipment. Schindler Ahead will automatically notify us if any connected component or function is operating outside established parameters. When appropriate, we will communicate with you to schedule appropriate service calls. Monitoring will be performed 24/7 and will automatically communicate with our Customer Service Network using dedicated wireless cellular technology. Schindler will make every reasonable effort to maintain wireless connectivity. If requested, you will provide the proper wiring diagrams for the equipment covered. These diagrams will remain your property, and will be maintained by Schindler for use in troubleshooting and servicing the equipment.

**Schindler ActionBoard and ActionBoard Mobile** are communication technologies that provide access to real-time information about your equipment including: performance history, reports, push notifications, service call records, unit profiles and more.

Your contract includes the above features as well as the following Core package:

This Agreement does not include Schindler Ahead.

If you would like information on upgrading your Core package, please discuss with your sales rep. The upgraded packages are:

**Connect** – Schindler’s Connect package provides wireless cellular communication from your equipment’s controller to ‘s data network. This allows the Schindler Cube or Schindler SRM to be connected to your equipment 24/7. The Connect package also provides access to the basic features of ActionBoard/Dashboard and ActionBoard Mobile/Dashboard Mobile, giving you real time information on your equipment.

**Enhanced** – The Enhanced Package includes access to Schindler’s Elevated Support Professional Team. This team analyzes information gathered by Schindler Ahead, which improves the reliability of your equipment and improves the response time. The Elevated Support Professional Team can alert you when a shutdown is detected, helps confirm issues remotely, and provides real-time ETAs for technicians en route. With these enhanced diagnostics, we can guarantee that you will not be charged for Running on Arrival calls. Under the "No Running on Arrival Guarantee," Schindler will fully cover the cost of any callback during regular hours related to the following situations: Elevator or Escalator Running in normal operation, or running under any of the following special services modes: Independent service, Fireman’s service (Phase I or Phase II), or Inspection operation. All other callbacks will be billed as outlined in the service agreement.
**Premium** – The premium package is our top tier, and was created for customers requiring the most comprehensive level of service. Our premium package offers the highest level of functionality and support. The Premium tier also includes concierge level assistance for all of your service needs.

Optional Digital Services:

The following digital services are also available:

**Digital Alarm** – The Schindler Ahead in-car emergency phone service will be added to your digital package. This service includes a reliable digital connection between your existing or new in-car emergency phone and our Schindler Customer Service Network that handles incoming and outgoing emergency calls with passengers in the elevator. To ensure reliability, Schindler Ahead phone service also provides monitoring of this connection. This in-car emergency phone service feature will be added along with the Schindler Core Services, and is contingent upon code approval by the local authority having jurisdiction. The Schindler Ahead solution must be installed and confirmed by Schindler to be communicating before you proceed with plans to remove or cancel your existing service provider’s line for your in-car emergency phone. Schindler will notify you once the Schindler Ahead connection is confirmed. This will ensure there is no disruption with the emergency communications with passengers in the elevator. If proprietary telephone equipment exists, you agree to replace the proprietary hardware with compatible hardware for an additional cost.

________ Initial Here to add DigitalAlarm for $25 per unit, per month in addition to the subscription price shown in the Price section below

**ElevateMe** - The Schindler Ahead ElevateMe service, which requires a compatible elevator controller, enables passengers to call an elevator via their personal smartphone. Any smartphone with an Apple iOS or a Google Android operating system, can download the ElevateMe app from the respective app store. Via the app the elevator can be called, and the desired destination floor entered. The smartphone will substitute the typical elevator call via a landing or car operating panel*. Once the service is active, all passengers using the smartphone application can place destination calls. The elevator must be equipped with Schindler Ahead to offer the feature. *The landing and operating panels will remain and work as is.

Scope of Services:
Software update and activation of feature on Schindler Cube
Creation, printing and installation of QR Codes
Commissioning of system, testing and registration via Schindler Ahead Control Center
Permanent Monitoring and support via the Technical Operation Center (TOC)
Regular Over-The-Air Update to ensure reliability and security of the hardware

________ Initial Here to add ElevateMe for $25 per unit, per month in addition to the subscription price shown in the Price section below

Schindler Ahead, your Core package, and the digital services described in this agreement require Schindler Ahead Connectivity. If your existing unit(s) are not equipped with the Connectivity to enable the selected services, we will provide a separate invoice for this cost. By signing this agreement, you agree to pay the costs associated with this activation. Work shall be performed during our regular working hours of our regular working days. Title to Hardware remains with Schindler. Schindler may replace or modify Hardware at any time. Customer shall promptly provide Schindler access to Hardware and prevent unauthorized access thereto.

**HOURS OF SERVICE**

We will perform the services during our regular working hours of regular working days, excluding elevator trade holidays. The services do not include callbacks during regular or overtime hours. If you authorize services outside the scope of this agreement, or callbacks at any time, you will pay us at our standard billing rates, plus materials not covered by contract, expenses and travel.
TERM
This Agreement commences on July 01, 2021, and continues until June 30, 2027, and shall renew (where permitted by applicable local law) for subsequent similar periods, unless terminated by either party upon written notice received by the other party at least 90 days prior to the above termination date or any renewal termination date, and not more than 120 days before the termination date.

PRICE
In consideration of the services provided hereunder, you agree to pay us the sum of $149.00 per month, payable in annual installments of $1,788.00, exclusive of applicable taxes.

This Agreement does not include Schindler Ahead. If you would like to choose a Schindler Ahead tier, please indicate by checking below:

[ ] Upgrade to the Connect Package - $10 per unit, per month addition.
[ ] Upgrade to the Enhance Package - $20 per unit, per month addition.

The packages above are dependent upon applicable equipment type and hardware installation, which will be installed at the owner’s expense. Please contact your Schindler Rep for more information.

PRICE ADJUSTMENT
The contract Price and labor rates for extra work will be adjusted annually in January. This adjustment will be based upon the local labor rate adjustment for the year in which it is adjusted, and will be increased or decreased on the basis of changes to the local straight time hourly rate for mechanics. If there is a delay in determining a new labor rate, or an interim determination of a new labor rate, we will notify you and adjust the price at the time of such determination, and we will retroactively bill or issue credit, as appropriate, for the period of such delay. We also reserve the right to adjust the contract price quarterly / annually on the basis of changes in other expenses such as fuel, waste disposal, government regulations or administrative costs. Should you elect to take the annual pre-payment option, the price adjustment date will default to coincide with the invoice date.

The annual contract price adjustment will not apply to Schindler Ahead. Schindler reserves the right to make adjustments to the monthly fee for the Schindler Ahead tiers as additional value added features and functionality are added to the selected offering.

SPECIAL TERMS AND PRICING

Schindler Elevator / Sourcewell National Contract
This contract adheres to Terms and Conditions of the Sourcewell contract #080420.

Price Adjustments
Price adjustments shall not exceed a 5% increase per annual period

Cancellation and Cure Clause
This agreement may be cancelled with 30 (thirty) days notice in the event of the sale of the property, change in management company, or for non-performance provided that Schindler is given written notice of the specific non-performance concern and has 30 (thirty) days to correct the specific non-performance concern. Non-performance is defined as an elevator not operating to designed specifications for this specific elevator system due to causes within Schindler’s control or Schindler not performing as guaranteed within this contract. This agreement may also be cancelled should the Owner elect to the modernize or replace the elevator covered under this agreement if the work is awarded to another vendor provided that Schindler is provided the opportunity to match or beat the other vendor’s offered price and elects not to do so.
The attached terms and conditions are incorporated herein by reference. Acceptance by you as owner’s agent or authorized representative and subsequent approval by our authorized representative will be required to validate this agreement.

TERMS AND CONDITIONS

1. This is the entire Agreement between us, and no other terms or conditions shall apply. This service proposal does not void or negate the terms and conditions of any existing service agreement unless fully executed by both parties. No services or work other than specifically set forth herein are included or intended by this Agreement.

2. You retain your responsibilities as Owner and/or Manager of the premises and of the Equipment. You will provide us with clear and safe access to the Equipment and a safe workplace for our employees as well as a safe storage location for parts and other materials to be stored on site which remain our property, in compliance with all applicable regulations related thereto, you will inspect and observe the condition of the Equipment and workplace and you will promptly report potentially hazardous conditions and malfunctions, and you will call for service as required; you will promptly authorize needed repairs or replacements outside the scope of this Agreement, and observe all testing and reporting responsibilities based upon local codes. You will not permit others to work on the Equipment during the term of this Agreement. You agree that you will authorize and pay for any proposed premaintenance repairs or upgrades (including any such repairs or upgrades proposed during the first 30 days of this agreement), or we will have the option to terminate this Agreement immediately, without penalty to us. You agreed to post and maintain necessary instructions and / or warnings relating to the equipment.

3. We will not be liable for damages of any kind, whether in contract or in tort, or otherwise, in excess of the annual price of this Agreement. We will not be liable in any event for special, indirect or consequential damages, which include but are not limited to loss of rents, revenues, profit, good will, or use of Equipment or property, or business interruption.

4. Neither party shall be responsible for any loss, damage, detention or delay caused by labor trouble or disputes, strikes, lockouts, fire, explosion, theft, lightning, wind storm, earthquake, floods, epidemics, pandemics, storms, riot, civil commotion, malicious mischief, embargoes, shortages of materials or workmen, unavailability of material from usual sources, government priorities or requests or demands of the National Defense Program, civil or military authority, war, insurrection, failure to act on the part of either party's suppliers or subcontractors, orders or instructions of any federal, state, or municipal government or any department or agency thereof, acts of God, or by any other cause beyond the reasonable control of either party. Dates for the performance or completion of the work shall be extended by such delay of time as may be reasonably necessary to compensate for the delay.

5. You will assign this Agreement to your successor in interest, should your interest in the premises cease prior to the initial or any renewal termination date. If this Agreement is terminated prematurely for any reason, other than our default, including failure to assign to a successor in interest as required above, you will pay as liquidated damages (but not penalty) one/half of the remaining amount due under this Agreement.

6. The Equipment consists of mechanical and electrical devices subject to wear and tear, deterioration, obsolescence and possible malfunction as a result of causes beyond our control. The services do not guarantee against failure or malfunction, but are intended to reduce wear and prolong useful life of the Equipment. We are not required to perform tests other than those specified previously, to install new devices on the equipment which may be recommended or directed by insurance companies, federal, state, municipal or other authorities, to make changes or modifications in design, or to make any replacements with parts of a different design. We are responsible to perform such work as is required due to ordinary wear and tear. We are not responsible for any work required, or any claims, liabilities or damages, due to: obsolescence; accident; abuse; misuse; vandalism; adverse machine room conditions (including temperature variations below 60 degrees and above 90 degrees Fahrenheit) or excessive humidity; overloading or overcrowding of the Equipment beyond the limits of the applicable codes; use of a stopped escalator as a stair; adverse environmental or premises conditions, including but not limited to water damage, power fluctuations, rust, or any other cause beyond our control. We will not be responsible for correction of outstanding violations or test requirements cited by appropriate authorities prior to the effective date of this agreement.

7. Invoices (including invoices for extra work outside the fixed price) will be paid upon presentation, on or before the last day of the month prior to the billing period. Late or non-payments will result in:

   (a) Interest on past due amounts at 1½% per month or the highest legal rate available;
   (b) Termination of the Agreement on ten (10) days prior written notice; and
   (c) Attorneys’ fees, cost of collection and all other appropriate remedies for breach of contract.

8. If either party to this Agreement claims default by the other, written notice of at least 30 days shall be provided, specifically describing the default. If cure of the default is not commenced within the thirty-day notification period, this Agreement may be terminated. In the event of litigation, the prevailing party will be entitled to its reasonable attorneys’ fees and costs. If you elect to modernize any or all of the Equipment during the term of this agreement, you will give us the option, within a reasonable time, to prepare an offer for the work and/or evaluate competitor proposals and compare scope of work and price. If we are unable to match price and scope of work, or present an alternative proposal, this Agreement may be canceled with ninety (90) days written notice.
9. Any proprietary material, information, data or devices contained in the equipment or work provided hereunder, or any component or feature thereof, remains our property. This includes, but is not limited to, any tools, devices, manuals, software, modems, source/ access/ object codes, passwords. In the event Schindler’s maintenance obligation is terminated, the Schindler Ahead features (“SA”) (if applicable) will be deactivated and Schindler reserves the right to remove the Schindler Ahead hardware. If Schindler is no longer the maintenance provider, Customer is responsible for obtaining alternative telephone service for the elevator phones.

10. You will prevent access to the Equipment, including the SA feature and/or dedicated telephone line if applicable, by anyone other than us. We will not be responsible for any claims, losses, demands, lawsuits, judgment, verdicts, awards or settlements (“claims”) arising from the use or misuse of SA, if it or any portion of it has been modified, tampered with, misused or abused. We will not be responsible for use, misuse, or misinterpretation of the reports, calls, signals, alarms or other such SA output, nor for claims arising from acts or omissions of others in connection with SA or from interruptions of telephone service to SA regardless of cause. You agree, which obligation shall survive this Agreement, that you will defend, indemnify and hold us harmless from and against any such claims, and from any and all claims arising out of or in connection with this Agreement, and/or the Equipment, unless caused directly and solely by our established fault.

11. Should this Agreement be accepted by you in the form of a purchase order, the terms and conditions of this Agreement will take precedence over those of the purchase order.

12. Schindler Elevator Corporation is insured at all locations where it undertakes business for the type of insurance. You agree to accept, named as certificate holder, in full satisfaction of the insurance requirements for this Agreement, our standard Certificate of Insurance. Limits of liability as follows:

   (a) Workers’ Compensation - Equal to or in excess of limits of Workers’ Compensation laws in all states and the District of Columbia.
   (b) Comprehensive Liability - Up to Two Million Dollars ($2,000,000.00) single limit per occurrence, Products/Completed Ops Aggregate $5,000,000.
   (c) Auto Liability - $5,000,000 CSL.
   (d) Employer’s Liability - $5,000,000 Each Accident/Employee/Policy Limit.

13. You hereby authorize us to produce single copies of the EPROM and/or ROM chips for each elevator subject to this Agreement for the sole purpose of archival back-up of the software embodied therein. The duplicate chip(s) for a given elevator shall be identified by serial number, or other means, and shall be stored on the building premises in a secured area in the elevator equipment room or you may retain possession. We agree that back-up chips are not for the benefit of purchase or sale, or for use in other elevator systems, and shall be used for no other purpose than the replacement of a defective or damaged chip on the particular elevator. In the event that your continued possession of the computer program should cease to be rightful, we agree that all such archival copies shall be destroyed.

14. You acknowledge that certain replacement parts, such as printed circuit boards or control related parts, may be difficult to obtain. While we do not anticipate problems or delays obtaining such parts, it may be necessary or desirable for you to order such parts directly from the original equipment manufacturer (“OEM”). You agree, in such event, to order parts promptly from the OEM, at any time and from time to time, as specified by us. We agree to reimburse you for the reasonable cost of such parts (as covered by this Agreement) promptly upon receipt from you of copies of the invoice(s) together with appropriate payment documentation.

15. Should conditions arise requiring use of the OEM diagnostic tool, we will promptly notify you. You agree, in such event, to promptly contact the OEM for diagnostic service and repair. You will be responsible for all costs related to such service and repair. You further agree that we shall not be responsible for any delays, damage, costs or claims associated with you or OEM’s failure to timely provide a diagnostic tool, and you will indemnify, defend and hold us harmless from any such delays, damage, cost or claim.

Item VI-D: Purchase of Remote, Cloud-Based Manufacturing Labs

Presenter: Shawn Troy

Board Consideration: Information/Action

President’s Recommendation:
Motion to approve the purchase of remote, cloud-based manufacturing labs and equipment in the amount of $208,539.00.

Dean of Workforce and Career Education Shawn Troy will present a request to utilize CARES funding to purchase remote, cloud-based manufacturing labs and equipment. These labs fully integrate with equipment on the lab floor and allow the college to issue all Level 1 NC3 Advanced Manufacturing certifications for students, even in the event of an extended closure of the college campus, similar to that during the COVID-19 pandemic.

Item VI-G: Strategic Communications Blanket Purchase Order Request

Presenter: Matt Miller  
Board Consideration: Information/Action

President’s Recommendation:
Motion to approve a Blanket Purchase Order in the amount of $120,000.00 for Strategic Communications digital marketing expenses throughout the year.

Vice President of Student Services Matt Miller will be presenting a request for a Blanket Purchase Order in the amount of $120,000.00 for Strategic Communications digital marketing expenses for the year.
Blanket Purchase Order Request for Digital Advertising

The Strategic Communications Office is requesting authorization of a Blanket Purchase Order to purchase up to $120,000 in digital advertising from MLive in 2021-22.

For the past three years, the Board has approved similar requests to purchase the College’s digital advertising from a centralized source. The Strategic Communications office has works with MLive to broker and manage our digital advertising. The cost for these services is set by the digital advertising companies (Facebook, Google, Twitter, etc.) and MLive works on our behalf to place the advertising orders, manage the advertising, and monitor the results.

This BPO request represents a continuation of the College’s digital advertising efforts. This request represents the largest portion of Mid’s marketing budget for several reasons.

- Individuals are spending more and more time interacting and engaging with digital media via their devices. This trend is true across the College’s target audiences.
  - Recent data from Ruffalo Noel Levitz:
    - 2 out of 3 prospective students click on paid ads
    - Unlock their phone 79+ times per day
    - 66% of Gen Z use more than one internet connected device at one time
- Digital advertising provides detailed tracking of ad and audience performance, the ability to target student lists with content tailored to their stage in the enrollment funnel, and the constant optimization of advertising creative.
- Working with one strategic partner, MLive, who understands Mid’s goals, audiences, and the digital advertising market allows Mid to achieve a higher return on investment, experience operational efficiencies, and collaborate with a trusted partner over time.
- The College maintains a marketing mix which includes radio, billboards, and print alongside our digital efforts throughout the region.

There are a number of services provided by MLive. Here are the descriptions of each service along with a projected amount of spending and the performance metrics from last year:

- **Advanced Analytics - FREE**
  - Google Tag Manager and Dashboard Maintenance

- **Targeted Display & Retargeting - $20,000**
  - Custom Display Campaigns by target group, creative re-messaging, and optimization of creative based on performance.
  - **2020-2021 Performance**
    - 254% more Impressions than previous fiscal
    - 25%+ increase in Interactions – 3.09% Interaction Rate (1.95% Benchmark, represents MLive’s goal and is typically double industry averages)
- 5,659 Clicks, a 287% increase and 0.19% CTR (0.11% Benchmark, represents MLive’s goal and is typically double industry averages)

- **Paid Search - $60,000**
  - Google, Bing and Yahoo paid Search text ads capturing potential students when they are looking to convert.
  - **2020-2021 Performance**
    - 124,594 Impressions
    - 19,394 Clicks – 15.52% CTR (3.4% Benchmark, represents MLive’s goal and is typically double industry averages)
    - 965 Completed Applications originated from Paid Search

- **Paid Social - $20,000**
  - Facebook/Instagram promoted and targeted display.
  - **2020-2021 Performance**
    - Over 1.6 Million Impressions
    - Over 19,000 Clicks – 1.54% CTR (1.10% Benchmark, represents MLive’s goal and is typically double industry averages)

- **Creative Development - FREE**
  - Assistance with creating targeted ads that reach our audiences.

- **Lat-Long & Student List Targeted Display - $20,000**
  - Geo Fenced Digital Display with built in Device retargeting.
  - **2020-2021 Performance**
    - 8% more impressions than previous fiscal
    - 14%+ increase in interactions – 2.02% Interaction Rate (0.94% Benchmark, represents MLive’s goal and is typically double industry averages)
    - 7,704 Clicks, a 28% increase and 0.21% CTR (0.08% Benchmark, represents MLive’s goal and is typically double industry averages)

- **Overall 2020-2021 Campaign Performance**
  - 12,075,773 Impressions Delivered
  - 38,451 Clicks
  - 2,753 Conversions (Applications Completed, Visit Page Campus Click, Initiation of Inquiry Form)
    - Campaign Performance showed improvement as the year went on with the campaign outperforming industry averages in each major campaign element.
    - Paid Search continues to deliver the most applications of any tactic and we noticed a modest increase in click thru rate and top Impression rate as we continue to optimize for goal conversions.
    - Social Media and Lat Long showed very strong click thru rates with Facebook and Instagram post clicking thru at 1.54%.
    - CRM and Targeted Display as a branding and conversion tactic proved successful as a leader in assisted conversions.
    - Roughly 38% of impression delivery was tied to the grant program in which Mid received $115,000 worth of advertising funds that will continue to run through December 2021.
Sample Online Ads

- **79% of students get financial aid. Help is available.**
- **Ultimate in flexible coursework. In person | virtual. Real time | remote.**
- **Register now for winter courses. Classes begin January 11th.**
- **Study safe. Stay healthy with MID. Stringent protocol and flexible instruction options.**
- **Take the next step toward a brighter future. Classes begin January 11th.**
