

CERTIFICATE OF ACHIEVEMENT: PHARMACY TECHNICIAN SPECIALIST

You, as a student, are responsible for meeting requirements for your curriculum. Your advisor is available for consultation. At least 6 of these credit hours must be taken at Mid Michigan College.

A minimum of 24 credits is required to complete this program.

The Pharmacy Technician Program is a one-year Certificate of Achievement program emphasizing community and institutional pharmacy practice where technicians work under the supervision of a registered pharmacist. Role play, communication, teamwork, and conflict management are emphasized. The comprehensive training program has laboratory course instruction which emphasizes hand-on skill development. The program includes 320 hours of an institutional and community pharmacy practicum. The coursework prepares the individual for the national certification
