

Articulation Agreement
 between
Michigan Department of Education
Office of Career and Technical Education
 and
Mid Michigan Community College

**Mid Michigan
Community College**

Mid Michigan Community College is pleased to provide this statewide secondary articulated credit agreement for the benefit of Michigan high school students. MMCC is proud to partner with the Michigan Department of Education – Office of Career and Technical Education.

Articulation is a method of granting university-level course credit for learning and skills accomplished as part of secondary school instruction. The Michigan Department of Education - Office of Career and Technical Education and Mid Michigan Community College will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions. This articulation agreement will be honored at all locations of Mid Michigan Community College.

Conditions of Agreement

1. Mid Michigan Community College will review the individual articulation agreements every 3 years from their respective implementation dates.
2. Changes may be made to equivalent courses and their outcomes as necessary based on changes in courses offered.
3. Mid Michigan Community College will publicize this program to secondary school students in order to ensure that they are aware of these opportunities.
4. Mid Michigan Community College will not charge tuition for any courses for which a student receives articulated credit.

Mid Michigan Community College has evaluated the Michigan Career Technical Education program standards. Members of the corresponding MMCC faculty have also reviewed these standards and have determined which MMCC courses are compatible with the secondary programs and what criteria a student must meet to be granted articulated credit.

This agreement may be terminated at any time by either the Michigan Department of Education - Office of Career and Technical Education or Mid Michigan Community College through providing ninety (90) days' notice. In the event of a termination, both entities agree that students who are currently in secondary courses and working toward fulfilling the outcomes or who are in their first semester at Mid Michigan Community College will be allowed to complete the articulated credit.
