ATTENDANCE & DISBURSEMENT UPDATES

Students **MUST ATTEND** classes to be eligible for Financial Aid. Aid may be delayed, reduced, or cancelled if a student is not attending or participating. We realize that many students depend on refunds to pay for other educational costs and we are committed to processing them as quickly as possible. **Students can now sign up for direct deposit on their MidWeb under "Direct Deposit Banking Info".**

Attention Scholarship Recipients

Remember to review any requirements specified by the donor. Many scholarships require full-time enrollment, for example. If you're not meeting the scholarships requirements, and it is then cancelled, be aware that you may owe a balance to the college.
