

## Women's Health and Cancer Rights Act of 1998

Under federal law, the WHCRA notice provided upon enrollment in the plan must state that for the covered worker or family member who is receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ◆ All stages of reconstruction of the breast on which the mastectomy was performed;
- ◆ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ◆ Prostheses; and
- ◆ Treatment of physical complications at all stages of the mastectomy, including lymphedema.

These benefits may be subject only to deductibles and coinsurance limitations consistent with those established for other benefits under the plan coverage.

**FOR ADDITIONAL INFORMATION:** Contact the nearest office of the Employee Benefits Security Administration by visiting [www.dol.gov/ebsa](http://www.dol.gov/ebsa) or call 1-866-444-EBSA (3272). For TTY, call 1-877-889-5627.

## Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

**FOR ADDITIONAL INFORMATION:** Contact the nearest office of the Employee Benefits Security Administration by visiting [www.dol.gov/ebsa](http://www.dol.gov/ebsa) or call 1-866-444-EBSA (3272). For TTY, call 1-877-889-5627.

## Special Enrollment Notice

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. Further, if you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this Plan, you may be able to enroll yourself and your dependents in this Plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance. To request special enrollment or obtain more information, contact your Human Resources Staff.

## Summary of Benefits and Coverage (SBC)

The Summary of Benefits and Coverage (SBC) required under the Affordable Care Act for your medical/Rx plans will be distributed by your HR Department.

# Children's Health Insurance Program Reauthorization Act of 2009

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility –**
