MID MICHIGAN COMMUNITY COLLEGE
ADMISSIONS CRITERIA
LADDERED NURSING PROGRAM

All Nursing Student Candidates:

1. Must have a MMCC Admissions Application completed and returned to the Admission Office.

2. Completion of all prerequisite courses listed on the Curriculum Guide with a minimum grade of “C” with the exception of BIO 141/142 which requires a minimum grade of “B-”. BIO 141 and BIO 142 must be taken at the same school.

3. Perquisites may only be taken twice and withdrawals count as an attempt of taking the class.

4. Must have a minimum GPA of 2.7 in the 30 hours of prerequisites.

5. Science courses cannot be older than five years from the date the student formally begins the program.

6. The enactment of the revised Public Health Code effective April 1, 2006 now requires that all health care providers have a criminal background check with fingerprinting that includes an FBI check. This will be at the students’ expense and must be completed two weeks prior to the beginning of the semester or current (within last two (2) years). Criminal Background checks are also required for all new Level II students and are at the students’ expense.

7. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a felony or certain misdemeanors or is addicted to drugs or alcohol. MMCC is not responsible if an applicant is denied licensure after completion of the nursing program.

8. All students must attend a MMCC Nursing Information Session prior to applying to the Nursing Program. Students can register for Information Sessions on the Nursing Website.
