Name ___________________________ ID# ________________________________

Due to federal regulations, the Office of Financial Aid is required to verify the individual income for student's parents. This information was entered incorrectly on your FAFSA application, and is NOT included on the U.S. Income Tax Return that you previously submitted. Please carefully fill out this form.

If either of your parents/step-parents received unemployment what was the amount they each received in 2009? $ __________ $ __________

If there is an amount on line12 of your parent's tax return, how much of the income or loss was earned by each parent in 2009? $ __________ $ __________

If either of your parents/step-parents have a farm, how much of the income or loss was earned by each in 2009? $ __________ $ __________

If either of your parents/step-parents have W-2's, what is the total of the gross wages of all W-2's received for each parent/step-parent in 2009? $ __________ $ __________

(The two amounts added together should equal Line 7 of your tax return.)

Parent Signature __________________________________________ Date: __________________________
