Objectives
The objectives of the Commercial Driver License (CDL) Class B Training Program at Mid Michigan Community College are to train drivers in the theory and practical application of driving commercial trucks, and to increase the employment possibilities of persons who have never driven commercially and wish to enter into this rewarding occupation. The CDL Class B Training Program at Mid Michigan Community College is a selective admissions program which requires students to meet specific requirements beyond those required for regular admission to the College.

The Admission Requirements Include the Following:

1. A completed Registration Form. (Attached)

2. Present a valid driver’s license. A commercial license is not necessary while attending school, but you will need to obtain one before you can be hired for work. Have an acceptable driving record. All driving records are checked through the Secretary of State and reviewed individually. The applicant must supply the school with a copy of their current Motor Vehicle Record (MVR). The charge for a MVR is currently $7.00. To contact the Record Lookup Office in Lansing, please call 517-322-1624.

3. Must be eligible for a “Temporary Instruction Permit.” The State of Michigan requires all commercial truck drivers to have a Class B Commercial Driver’s License. It currently costs $65.00 for a T.I.P. with the Passenger and Air Brake endorsements. Any person learning to drive a commercial unit must be in possession of a T.I.P. or “Temporary Instruction Permit.” We will help students prepare for the written test to obtain their T.I.P. Written tests will be administered by the Secretary of State. Persons shall be considered ineligible for a T.I.P., if they:
   a. Fail to pass the written examination.
   b. Have been charged in the 24 months immediately preceding application with a total of 12 or more points.
   c. Have had their license suspended or revoked in the 36 months immediately preceding application unless that suspension or revocation was due to a temporary medical condition, failure to appear for re-exam or failure to appear in court for a traffic violation, an unsatisfied judgment or a no-fault insurance violation.
   d. Have been convicted of a 6-point violation of an impaired driving charge (4 points) in the 24 months immediately preceding application.
   e. Those applicants who reside outside the State of Michigan must supply a copy of their own driving record from the state in which they are licensed.

4. Be able to read, write and speak the English language at an eighth grade level. A high school diploma is not required, however, a student must be able to compute simple fractions and know general math for correct logbook tabulation.

5. Be able to pass the Department of Transportation physical examination and drug screen. Please Note: College must receive your completed D.O.T. physical form and drug screen results signed by a physician before you can be accepted into the program. The cost for the DOT Physical and Drug Screen is $105.00.
6. Be at least 18 years of age to drive a commercial vehicle within the State of Michigan. Must be at least 21 years of age to drive a commercial vehicle out of state.

7. Be able to attend 120 hours of instruction during the scheduled three weeks of training. Classes will be held 8:00 am until 4:30 pm (Monday through Friday) and students are expected to be on time.

8. Must present a Social Security Card.

**Refunds**
No refunds will be offered once the program has started.

**Placement**
We DO NOT guarantee job placement. However, we do assist graduates in obtaining employment whenever possible.

**Location**
The training facilities are located at the Isabella County Transit Commission (ICTC) in Mt. Pleasant. A map will be provided upon acceptance to the class.

**Clothing**
Students should bring clothing suitable for weather conditions expected during the time they will be attending class. DO NOT wear canvas tennis shoes.
