MID MICHIGAN COMMUNITY COLLEGE
MISSION STATEMENT

The purpose of Mid Michigan Community College is to provide educational and community leadership for the development of human ability. To this end the College provides post-secondary education and services to enable students and the community to achieve success in a global society.

MID MICHIGAN COMMUNITY COLLEGE
RADIOGRAPHY PROGRAM
MISSION STATEMENT

It is the mission of the Mid Michigan Community College Radiography Program to provide and opportunity for students to obtain an Associates in Applied Science Degree. The Mid Michigan Community College Radiography Program strives to educate radiographers who are technically competent and possess superior interpersonal and communication skills.

Radiography Program Goals:

1. Students will be clinically competent.
2. Students will communicate effectively.
3. Students will use critical thinking and problem solving skills.
4. Students will exhibit understanding of the importance of professional issues.

Program Effectiveness Measures:

1. Students will pass the ARRT national certification exam on the 1st attempt.
2. Of those pursuing employment, students will be employed within 6 months.
3. Students will complete the program within 24 months.
4. Students will be satisfied with their education.
5. Employers will be satisfied with the graduates’ performance.
