## ASSOCIATE DEGREE IN NURSING

NOTE: All NUR courses in a semester must be passed with a minimum grade of “78%” to progress to the next semester. For those intending to transfer, it is strongly recommended to take BIO.141 and BIO.142. Please speak with your advisor or Nursing Director. BIO. 138, BIO. 141 & BIO. 142 courses must be passed with a minimum grade of “B-” to enter the program. BIO. 141 & BIO. 142 courses must also be taken at the same institution. If students have taken BIO. 138, BIO. 141 & BIO. 142 courses prior to admission to the Nursing Program, the courses must have been completed within five (5) years of the date the student formally begins the Nursing Program. Prerequisites may be repeated only once, which includes withdrawals.

NOTE: Admissions to the MMCC Nursing Program is based on a Selective Admission Process. Highly Recommended Courses will be awarded additional bonus points toward overall admission score. For further information contact the Nursing Department. Final acceptance into the nursing program is based on results of a criminal background check and urine drug screen.

NOTE: All NUR courses require a signature on the registration form from the Director of Nursing. Entry level students will receive this form at the orientation scheduled for incoming nursing students.
