PHT.C Requirements

Students are responsible for meeting curriculum requirements. Academic Advisors are available for consultation.

At least 6 of these credit hours must be taken at Mid Michigan College.

A minimum of 24 credits is required to complete this program. PHT courses must be taken in sequence. The Pharmacy Technician Program is a one-year Certificate of Achievement program emphasizing community and institutional pharmacy practice where technicians work under the supervision of a registered pharmacist. Role play, communication, teamwork, and conflict management are emphasized. The comprehensive training program has laboratory course instruction which emphasizes hand-on skill development. The program includes 320 hours of an institutional and community pharmacy practicum. The coursework prepares the individual for the national certification exam. All courses in a semester must be passed with a minimum grade of C to progress to the next semester. Students must maintain a minimum GPA of 2.0. PHT courses may be repeated only once.

Limited Enrollment Program. Student must be admitted to PHT program prior to registering for PHT classes.
